Subject: Extension to Division Directive, Tar Sands Holdings II LLC, Asphalt Ridge 2 Mine, M/047/0032, Uintah County, Utah

Dear Mr. Andrews:

On October 21, 2014, the Division of Oil, Gas and Mining (Division) directed Tar Sands Holdings II to increase the surety for the Asphalt Ridge 2 mine by \$382,000.00. This was to be done by December 1, 2014. The directive also required that by December 8, 2014, Tar Sands Holdings II identify areas outside the permitted area for permit number M/047/0032 which have been affected by mining operations by Tar Sands Holdings II or its predecessors and either, 1) amend the Notice to include in the Notice these affected lands, or 2) reclaim these affected areas.

To allow Tar Sands Holdings II adequate time to consider alternate proposals for these requirements, the Division extends the deadline to December 10, 2014. Tar Sands Holdings II will respond to whether it will accept these alternatives by that date, and the Division will then determine what further actions to take.

Thank you for your cooperation.

Sincerely,

Paul Baker
Minerals Program Manager
